CANADIAN THOROUGHBRED HORSE SOCIETY BREEDING & RACING REVIEW

With the continuation of COVID-19 world pandemic it was a difficult and challenging 2021 race season. Casinos and many of the TBC Racebooks which closed in March 2020 were finally allowed to reopen on July 1, 2021. The closure significantly reduced the Industry's funding for the Hastings live race season and the season, scheduled to run from the beginning of May to the end of July. However, with the July opening of the casinos and with some government funding assistance in August, the season was extended to a 39-day meet and closed at the end of September.

The reduced funding resulted in all stakes races being cancelled except the four CTHS BC Sales stakes races. Without a full live season and a full stakes schedule another modified Industry Awards presentation would be held in the late spring or early summer in the paddock at Hastings Racecourse.

2021-2022 President's Report

Dairen Edwards

These have not been the most pleasant of times for the thoroughbred racing industry in British Columbia.

We lost two of our exceptional leaders within a month with the passing of Glen Todd on March 27, 2022 and Dave Bennington on April 23, 2022.

Both of these gentlemen dedicated their lives to horse racing at all levels and it will take a firm effort by so many to follow in their footsteps.

With the passing of Dave Bennington, I have been designated Interim President of CTHS-BC and I must admit I am still trying to wrap my head around being in this position. Dave was named President in October, 2021 after serving on the CTHS-BC Board of Directors since 2018 as Vice President and Finance Chair.

In the aftermath of two consecutive COVID-disrupted racing seasons, we now welcome the 45-day racing calendar at Hastings Racecourse that runs from May 7 through October 16, 2022.

Included on the schedule are the CTHS Sales Stakes on August 22.

With new Breeder incentive programs in place, we are confident our annual Yearling & Mixed Sale in September will rebound with encouraging results.

The spotlight is shining on the importance of BC Breeders contributing to the future of racing at Hastings Racecourse.

And watching over us, no doubt, will be my dear, departed friend Dave Bennington.

In 1973 the Board of Directors of the British Columbia Thoroughbred Breeders' Society (B.C.T.B.S.) decided to establish the Appleby trophy to honour annually the breeder of the best horse bred in the province, regardless of where it had raced. It differs in several respects from the Vanderbilt trophy, which was inaugurated in 1965 and which honours the Horse of the Year at Hastings Park, then Exhibition Park. First, of course, it is restricted to horses bred in British Columbia; secondly, there is no requirement that the horse have run locally, though, of course, they have usually done so; and, thirdly, it was the breeder of the horse in question who received the trophy. (The owner of the Vanderbilt winner receives that trophy and in recent years the owner of the leading B.C.-bred has been presented the Appleby trophy.) Lyon H. Appleby was a distinguished Vancouver surgeon who was instrumental in founding the B.C. Racing Breeders' Society in 1938, and became its first president. The name of the organization was subsequently changed to the B.C. Thoroughbred Breeders' Society and, later still, to its present name, the Canadian Thoroughbred Horse Society (B.C. Division). Dr. Appleby bred many fine runners at his Running Horse Ranch near Kamloops and most raced in his colours including Cum Laude, who would undoubtedly have won for Dr. Appleby the trophy later established in his honour.

British Columbia Breeders Awards

BREEDERS AWARD PROGRAM

Broodmares - Received 16.5% BAP Award on 2020 Eligible Earnings

Stallions - Received 11% BAP Award on 2020 Eligible Earnings

It pays to own a BC-bred!

Effective with foals of 2012, to be eligible for Breeders Awards Program "BAP" awards, all horses must be BC-bred, registered with the Jockey Club and with the CTHS National Office prior to the horse running its first race. BC-bred foals prior to 2012 that have or have not been racing and are not Canadian registered will not be eligible to receive BAP awards until all the Canadian requirements have been met. Awards will only be payable effective from the date the horse is registered with the CTHS National Office as a Canadian-bred and will not be paid retroactive.

As of January 1, 2018, all recipients of the BAP awards must be a member of the Canadian Thoroughbred Horse Society for the entire racing year that the awards were earned.
