Organizer of this art show.

Steve Avram __President of the
SGWU Founding Chapter, and
Facilitator of this art show.

THE MISSION of the SGWUFC is to preserve and to perpetuate the heritage of one of the founding institutions of Concordia University, that being Sir George Williams University. At the same time, it is also important to educate the new and young students of Concordia University about the history and accomplishments of SGWU.

To this end, the SGWUFC proposes to hold a two day ART EXHIBITION displaying the works of practicing artists who are graduates or at least past attendees of SGWU and Loyola College. It is not necessary that these artists graduated, at that time, in Fine Arts.
